

## Research Associate - Dublin Office

[Apply Now](#)

Company: Perrett Laver

Location: Dublin

Category: life-physical-and-social-science

### Research Associate

Perrett Laver is the leading international executive search firm supporting on the recruitment of outstanding leaders for 'purpose-driven' sectors in over 70 countries worldwide. Ranked among the top 40 search firms globally, we work for clients who are shaping some of the most important outcomes in our world today.

#### The Role

By combining the intellectual and analytical skills necessary to grasp complex briefs and the research skills to identify world-leading candidates for leadership roles, the Research Associate role is fundamental to our business. Flexible, rigorous and attracted to complexity, you will have the advocacy skills to engage world-class senior leaders on behalf of our varied client base.

You will work under your own initiative in a fast-paced environment to deliver consistently excellent results. Throughout your time at Perrett Laver, you will be part of a strong, global network of colleagues who inspire and encourage you as you develop in the role while making a real difference to our client institutions

The position also requires a personable nature with strong teamwork skills and a willingness to actively contribute and support internal project teams and colleagues more generally.

This position will be based in Perrett Laver's Dublin office but involves regular engagement with colleagues in many of our global offices. Perrett Laver supports a flexible hybrid working model.

If you wish to apply, please send a CV and covering letter detailing your motivation and interest in this position. Please note that applications without a letter will not be considered. Perrett Laver is a Data Controller and a Data Processor, as defined under the General Data Protection Regulation (GDPR). Our legal basis for much of our data processing activity is 'Legitimate Interests'. You have the right to object to us processing your data in this way. For more information about this, your rights, and our approach to Data Protection and Privacy, please visit our website
